## Description

In the heart of Hamburg Ottensen and within walking distance of the river Elbe - best location for this stylish business flat with a quiet balcony. The walls are in elegant beige-gray "Drop Cloth" from Farrow & Ball. The beautiful oak parquet and warm gold tones combined with elegant blue and black complete the ambience. The highboard made of fine mango wood is an extraordinary model for high living demands. The spacious interior with five compartments also offers plenty of space. The casual console sideboard in a cool look is made of steel, has a glass top and impresses with its unusual design.

The adjoining open kitchen is fully equipped. The balcony is quiet and can accommodate 2 people. There is a walk-in closet in the hallway, with plenty of space for shoes and household appliances. The bathtub is bright and spacious and has a new glass shower wall. The bedroom has a blackout blind, a  $1.60 \times 2$  m bed with a comfortable mattress and a 3-door wardrobe with clothes rail, shelves and two drawers.
