Description

Modern and stylish furniture, subtle and harmoniously coordinated colors give the apartment size and create a feel-good atmosphere after the job. Very sophisticated and a highlight is the unique armchair in the English checkered look, which forms a harmonious unity with the silver-colored and black small furniture. The English-inspired silhouettes, fabrics and color bring the classic British elegance of bygone days into the modern age.

The comfortable cabinet bed is very comfortable and the optimal space-saving solution for the apartment. It can easily be raised during the day.

In the house is a laundry room (coin operated)
