Description

The bright and spacious two-room apartment is very clear and decorated in subtitle colours that harmonize beautifully with the well-maintained floorboards. The apartment was completely modernized in 2018 and looks almost like a new building. Two balconies offer a special recreational value, either relax overlooking the green garden courtyard or a little closer to city life with a view of the quiet street. The balconies are accessible from the kitchen or from the living room. The bedroom has a double bed and ample closet space available. For occasional visits a pull-out sofa can be used as a guest bed in the living room.

In the house there is a bicycle cellar, which can be used. When renting by 2 people, the monthly rent increases by 100 EUR
