Description

Very nicely designed top floor apartment in the best residential area in the west of Hamburg. The classic Art Nouveau villa in a quiet street with a 1200 sqm, newly laid out garden was built in 1906 and completely renovated in 2011. The exposed, white glazed roof beams and the high-quality whitewashed oak parquet make up the style of the apartment. The kitchen and the modern, perfectly designed furniture offer a high level of living comfort.

The spacious bathroom has a shower and a bathtub. All shops for daily needs as well as the Othmarschen villa district, Jenischpark and the Elbe are within walking distance.
