Description

The apartment with floor heating is modern and harmoniously decorated. A bright sofa invites you to relax. A practical side table made of blue cotton, hemp rope and fir wood combines functionality with design and is a real sight. The wall design, the high, oblique ceilings and carefully chosen accessories lend the styling a contemporary business ambience. Other contrasting accents, such as the beautiful bleached fur, an order basket with cozy additional sofa blanket and a fabric pouf complete the overall look. The open high-gloss kitchen is equipped with a washing machine, dishwasher and a Senseo coffee machine. The bright bathroom with underfloor heating, generous shower, scales and hair dryer offers every comfort. The bedroom is equipped with a 1.20m boxspring bed and a 2.70m wardrobe with additional inside drawers. Made-to-measure pleats, which can be adjusted in any position from the top and the bottom, offer a high degree of visibility and sun protection on all windows and provide for gently filtered, natural light in the room. Additional curtains create a pleasant ambience even in the evening hours. The apartment has a terrace and is located in the absolutely quiet inner courtyard of a little busy side street, only 1.2 km from Dammtorbahnhof and the city center.

A relaxing ambience with class. Ideal for business tenants.
